Name:		Email:		Phone:	
Student Status: Full Time/Part Time			Expected Graduation:		
Major(s)/Focus Area(s):					
Were you referred by a member of CESP?			If yes, who?		
Expectations		All CESP Student Fellows are expected to contribute to both the outreach and research missions of CESP. All candidates are strongly encouraged to review the CESP Website to understand the CESP mission, activities, and research areas. Please acknowledge your understanding of the Student Fellow requirements by checking the boxes below.			
		<input type="checkbox"/> I am interested in pursuing, or continuing, a career in the fields of energy policy, science, and/or security.			
		<input type="checkbox"/> I understand that I will be expected to write ~3 short articles a semester and perform independent research.			
		<input type="checkbox"/> I understand that I will be expected to attend the majority of CESP meetings and events (~4-5 per semester).			
		<input type="checkbox"/> I am able to commit to at least 2 semesters of service at approximately 2-5 hours per week (on average).			
Please indicate what energy and science policy issues interest you					
Relevant		Please describe all relevant coursework or publications. Indicate with a (*) if this coursework was not at GMU.			

<p>Personal Statement</p> <p>In 500 words or less, describe your academic and/or professional goals and how a CESP fellowship would further those goals.</p>
